Random House USA Inc, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. Unlike other young Jedi sidelined to the Agricultural Corps--those whose abilities have not proved up to snuff--Hestizo Trace possesses one extraordinary Force talent: a gift with plants. But suddenly her quiet existence among greenhouse and garden specimens is violently destroyed by the arrival of an emissary from Darth Scabrous, a Sith Lord with a fanatical dream poised to become nightmarish reality. For the rare black orchid that Hestizo has nurtured and bonded with is the final ingredient in an ancient Sith formula--crucial to the Dark Lord's obsession, but with consequences far worse than fatal. Now, spawned by a heretofore unknown virus, the rotting, ravenous dead are rising, driven by a bloodthirsty hunger for all things living--and commanded by a Sith Master who lusts for power and the ultimate prize: immortality . . . no matter the cost.
